

Amputee Supporters

"As a young child, my parents struggled to make ends meet. Donations helped me to get a prosthesis. Because of my experience, I am giving my time and support in Limbs for Life's quest to give people prosthetics that cannot afford them."

RODERICK GREEN paralympic sprinter

"I can't imagine life without a prosthesis. Unfortunately, many American's are living their life without a prosthesis due to a lack of insurance or financial resources. I'm proud to support the Limbs for Life Foundation in their effort to help amputee's in need receive a functional prosthesis, thus restoring the recipients independence and improving their quality of life."

TIMOTHY McCARTHEY former bethany police officer

"After losing my lower left leg in a motorcycle accident, I had to endure the hardships of not being able to afford a prosthesis. Limbs for Life rescues people like me and keeps us walking and running! I'm honored and blessed to be supporting this organization for giving life to others so freely."
